National Justice and Peace Network will be holding an online vigil for Advent on the theme of

‘A Place at the Table’.

How do we make space for those who are often excluded or ignored to ensure their voice is heard?

Is there room for those we disagree with? Can we build welcoming and peaceful communities?

There will be contributions from some of the groups and friends that make up our network, reflecting on the theme in the light of their work for justice and peace. You are warmly invited to join us for all or part of the vigil as we prepare to welcome the Christ child again at Christmas.

The world needs prayer.
