FAITH in ACTION VOLUNTEER 2018/19

**Excellent personal development opportunity
for a young adult in the UK**

A year of putting faith into action through projects connected to refugees and asylum seekers, inter religious dialogue, and justice and peace education. Including a visit to learn about Columban mission in another culture (previous volunteers have visited the Philippines, the US/Mexico borderlands, Peru and South Korea).

"Being a 'Faith in Action Volunteer' has been an amazing, varied year with lots of opportunities to learn. I would highly recommend this role to anyone who wants to grow in their faith and understanding of how it can be actively lived."
