CUF was established by the Church of England as a practical response to unmet need and has been active in local communities for over 30 years. Its vision is to see people and communities all over England flourish and enjoy life in all its fullness.

CUF works to bring about positive change in neighborhoods.

Committed to working through relationship partnerships CUF works by building trust, empowering local people to have a go at addressing the areas of greatest need in their communities, and speaking out against injustice.
