'Sustainability? Survival or Shutdown'

45th ANNUAL CONFERENCE

of the NATIONAL JUSTICE & PEACE NETWORK

21st - 23rd July 2023

The Hayes Conference Centre, Swanwick, Derbyshire

The title of our conference is 'Sustainability? Survival or Shutdown' and within this we hope to address issues crucial to the common good and the well-being of all creation.

Echoing the words of Pope Francis, all issues are interconnected, as well as environment and especially the impact of climate change, we must consider the need for just and peaceful conflict resolution, economic justice, and stability.

A key issue identified at Conference 2022 was the need for truth and integrity in political and social engagement, good governance in all seats of power, local, national, and global.

NJPN: National Justice and Peace Network is a grassroots body, rooted in Gospel values, working with groups and individuals of all faiths and none, who share its aims and values. We offer: Access to related agencies, Opportunities for action, Information sharing, Friendship and mutual support

Cafod: We are an international development charity and the official aid agency of the Catholic Church in England and Wales.

We reach out to people living in poverty with practical help, whatever their religion or culture. Through our global Church network, one of the largest in the world, we have the potential to reach everyone. And we campaign for global justice, so that every woman, man and child can live a full and dignified life.

Christians Aware

Christians Aware: Christians Aware is an international and interdenominational educational charity working to develop multicultural and interfaith understanding and friendship locally, nationally and internationally. Its aim is to work for justice, peace and development. The focus is on listening to encourage awareness and action.

Columban Justice, Peace & Integrity of Creation (JPIC): Columban Missionaries believe that a passion for justice, a desire for peace, and concern for creation are

fundamental to the living out of the Gospel in our world today. They are not optional elements but core components of our Christian faith.

Our mission is to work towards a more just, peaceful, and environmentally sustainable world by engaging in the all human and social and political processes that militate against these values.

We are guided by Catholic Social Teaching, our faith and the Gospel. We learn from the people we serve and are empowered by them.

Diocese of Westminster Justice and Peace Commission:

The Commission exists to promote action and reflection on peace and social justice in the Diocese of Westminster the light of the Gospel and Catholic Social Teaching.

Justice and peace issues covered may be local, national or international.

Bookings made after Friday 19th May 2023 incur a booking surcharge
